

The McLeod Mobile 3D Mammography Unit

What You Need to Know

- The unit serves the same 12-county service area in SC that McLeod Health serves.
- This unit has 3D technology identical to the four units currently in operation in the McLeod Breast Imaging Center.
- The all-female team of registered radiological technologists who staff the unit have advanced mammography training.
- McLeod board-certified radiologists read the mammogram images and send report letters to the specified physician and the participant.
- The unit is operational Monday through Friday.
- For a visit to take place, 20 patients must be scheduled a minimum of one week prior to the scheduled visit date.
- Only screening mammograms (annual mammograms, those having no current problems, etc.) can be performed on the unit.
- There is no charge to reserve the unit. We ask those who host it to promote the event with promotional materials we provide for you.
- Because of its size (about 40 feet long and 13 feet high) and its sensitive equipment, a paved, level surface is needed to park the unit.
- Appointments typically last 15 to 30 minutes.
- Visits are scheduled at least 30 to 90 days in advance.

Eligibility Criteria

- Must be able to walk up stairs unassisted and stand independently.
- Must have insurance or a method of payment. *Medicaid, Medicare, and Best Chance Network are accepted.*
- Must have a referring physician to send results to. No order is required unless participant is under age 40 or as specified by the physician.
- Must not have had a screening mammogram performed in the past 12 months for most insurance coverage (*check your individual plan*).
- Must not have any current breast problems such as lumps, discharge or swelling.
- Must not be pregnant and not have nursed within the past three months.
- Must not have been diagnosed with breast cancer within the past five years.
- If possible, please bring prior mammogram images to your appointment if your previous mammogram was not performed at a McLeod Health facility.
- Please bring insurance card and government issued ID to your appointment.
